WHO SHOULD ATTEND?

This event, sponsored 100% by IBEW 191—NECA Cascade LMCC, invites all IBEW 191 members and contractors to come together in a shared effort to strengthen our industry. The focus is on building professionalism on our jobsites, gaining the confidence and knowledge to step into Foreman and General Foreman roles, and learning directly from industry partners and vendors about PPE, safety practices, and other essential topics. By standing together, we aim to promote positive work environments that leave a lasting impact from the office to the field.
