

Dear Industry Partners and Supporters,

We have an exciting event coming with some great opportunities for the Electricians and Contractors in our local jurisdiction. IBEW Local 191 and Cascade Chapter NECA have come together through our Labor-Management Cooperative Committee, to bring to our IBEW members and NECA contractors, The S.I.S.T.E.R.S. Summit. A conference that is the first of its kind, started right here in Washington, where members will unite to uplift one another and develop essential leadership skills. There will be Foreman Development classes, leadership workshops and volunteer opportunities through Day of Service projects in the greater Wenatchee Area.

We need your help to make this event a success. We are looking for sponsorships or donations from our Industry Partners and Supporters.

Some of the things we need are:

- ~~Safety glasses and gloves for all participants (80-100 pairs)~~ *Thank you Stetner Electric!*
- Tyvek suits for painting (14 pairs = 2-Small, 3-Med, 4-Lg, 3-XL, 1-2X, 1-3X)

- Sponsorship of a Break Time during the conference by paying for the refreshments

Social media updates on meeting highlights, keynote speakers, workshops, sponsors and vendors will be ongoing.

Thank you so much for your consideration to support the S.I.S.T.E.R.S. Summit for the current and future leadership of the electrical industry. All sponsors and donors will be recognized in a multitude of ways on the Conference Booklet and throughout the conference.
